MEMORIAL DAY:

In Memorial Services and in parade, Redwood Ctiy paid tribute to its soldier dead Tuesday. Shown in the left center picture is the scene in Sequoia Theater, with guests of honor seated on the stage. Right center are the Redwood City Municipal Band (above) and the Sequoia High School Band (below) followed by the national colors of veteran and fraternal organizations and by the Gen. George S. Evans Women's Relief Corps.

Extreme left is the scene when Councilman Paul A. McCarthy dedicated the Sequoia Theater's new flag. In the photo (left to right) are Fred Staples, member of the Veterans of Foreign Wars color guard; McCarthy; A. J. Dempsey; City Manager C. L. Dimmitt and Floyd D. Granger. Extreme right shows Councilman Evans A. Fletcher dedicating the Redwood Theater's new flag, as C. E. Rudisill (center) and Harry Ellen form a color guard. All Fox West Coast theaters were supplied with new flags this week as a feature of American Democracy Week, proclaimed by Governor Olson. In Redwood City, the VFW assisted with the dedication of the flags, which were presented to each theater by the Fox West Coast organization.

New Pharmacy Ready To Open

Main Street's first drug store was being prepared today for its formal opening.

Located in the remodeled W. P. Jamieson building at the corner of Stambaugh St., the store is known as the Redwood Pharmacy. Owner is Joseph Cykman, who since 1932 has operated a drug store in San Francisco. He closed it out to begin business "in the sun down the Peninsula."

Cykman has been in the drug business for 40 years, starting in his native land of Poland, where he was graduated from a university.

Employed in the local store with him are his son, John Cykman, a graduate two years ago of San Francisco State College; Victor Petrovics, registered pharmacist, and Mrs. Ruth Davis, who has charge of the store's fountain.

Besides a full-equipped, modern prescription department, the store has a complete line of drugs; tobacco and liquor department; magazines; clocks and watches; cameras, films and developing, and everything else to make it an up-to-date drug store. The fountain, with 12 stools and two booths, will serve lunches at all hours. The store is to be open from 8 a. m. to 10:30 p. m. daily. A policy of minimum prices under the Fair Trade Act will be pursued.

PAUL ARATA DIES AT M. P.

MENLO PARK, May 31.—Paul Arata, 80, 737 Fremont Ave., Menlo Park, died at Palo Alto Hospital yesterday after an illness of three weeks. He moved to Menlo Park two years ago from San Francisco upon his retirement. Funeral arrangements were being made today in San Francisco.

Call Is Satisfied With Budget Slash

The state Senate's action in further cutting the all-time high budget of $557,000,000 "justifies cuts made by members of the lower house of the state legislature," said Harrison W. Call, assemblyman of Redwood City, in a statement Monday.

The Senate voted slashes totaling seven and one-half million dollars, one million short of the Assembly's eight and one-half million cut. Call, member of the economy-minded group of members of both political parties in the lower house, expressed his approval of all cuts made in the Senate with but a few minor exceptions.

A point where Call differed with some of the economy group was in consideration of a moratorium on wage increases for the next two years:

"I am not in favor of this move, because it strikes particularly at the small salary employes; that is, it would be felt more by them," Call said. "There are many persons working for the state who have earned, and who deserve the slight increases in pay already stipulated by legislation which has been enacted."

Blaze Extinguished In Highway Culvert

Firemen were called out shortly before 6 p. m. Tuesday to extinguish a fire which had mysteriously started in litter in the large culvert which runs under El Camino Real from the Sequoia High School campus near James Ave. No damage occurred, but considerable smoke poured out of the culvert and across the highway, Fire Chief Mark E. Ryan said.

SEQUOIA SHOWS MUSICAL

Rose of Washington Square

Tyrone Power and Alice Faye, the romantic stars of "Alexander's Ragtime Band," are joined by Al Jolson, the star who sings back the past everyone wants to remember, in "Rose of Washington Square," 20th Century-Fox's forthcoming entertainment highlight. The film will open Sunday at the Fox Sequoia Theater.

Hallinan Named Head Of Elks Lunch Club

T. J. (Jerry) Hallinan of Hillsborough, manager of the California Pacific Title and Trust Co. at Redwood City, is the newly elected president of the San Mateo Elks Monday Luncheon Club.

Hallinan succeeds Amadee Chanteloup of the National Bank of San Mateo, who has held the presidency for the past six months. The election took place Monday when 150 Elks and their guests, including many county and city officials, attended the club's final luncheon until the Fall season.

Retired Gardener Is Taken by Death

An illness of nine days' duration ended in death at a San Mateo hospital Wednesday for Battista Ghezzi, 67, retired gardener who lived on Third Ave., North Fair Oaks. He had lived in the Redwood City area for 35 years. A cousin, Teresa Pellizzari of Menlo Park, survives. Funeral services will be held Saturday at the Layng & Tinney Funeral Home, followed by requiem mass at Mt. Carmel Catholic Church at 9:30. Interment will be in Holy Cross Cemetery, Menlo Park.

The Texas state capitol at Austin is constructed of Texas granite obtained in a trade for 3,000,000 acres of what now is choice ranch land in the Panhandle.

100 WPA Men Clear Route

With all preliminary plans completed, work has been started on Section 4 of Joint Highway District 10 (extension of Junipero Serra Blvd. from San Francisco boundary line to Burlingame).

Forty-five days ahead of schedule, 100 WPA workers have been assigned to the work of clearing away debris and brush in preparation of actual construction work, according to Baily Hipkens, assistant WPA engineer in charge of construction. Hipkens stated that July 15 was the contract date set for commencement of work but it was the objective of WPA forces to start work as far in advance as possible in order to complete the job in record time.

Offices and construction camp have been established on the property of R. G. Clifford, contractor for the roadwork, opposite California Golf Club on El Camino Real. Hipkens said that this cooperation would benefit the project thousands of dollars which would ordinarily be paid for rental of office, campsite and equipment space.

Supervisor John A. Lynch of San Mateo County and secretary of Joint Highway District 10, in a conference with Andrew J. Gallagher, president, learned that a liberal amount of San Mateo County labor would be used in construction and roadwork. Section 4 will extend Junipero Serra Blvd. from in back of Cypress Lawn Cemetery to a point opposite Sneath Rd. in Tanforan. This new section will add $426,000 worth of new highway to San Mateo County's present system.

Supervisor Lynch said that extension highway work on No. 4 would be financed as follows: Estimated cost, $426,000. Federal funds will absorb 80 per cent of the amount or $340,000. The sponsor (joint highway district) will bear 20 per cent of the total or $86,000. The sponsor's share will be apportioned between the State of California, co-operating to the extent of $29,000; San Mateo County, $8,550; City and County of San Francisco, $48,450.

Ultimately, it is the plan of the directors of Joint Highway District 10 to extend Junipero Serra Blvd. through the heart of San Mateo County connecting with existing highways in Santa Clara County.

SHIP AHOY! SALLY RAND'S GOING ON R. C. BOAT RIDE

Here's a real scoop from Redwood City's waterfront—a scoop that means that the boat ride from the Port of Redwood City to Treasure Island next Sunday is bound to be a success.

Sally Rand will be among those on board the good ship Yerba Buena when it steams away at 1:30 p.m.!

She of the scant clothes and large fans (when she's working) definitely assured the sponsoring Junior Mariners here, that she would accept their invitation to make the trip with Redwood Cityites, Capt. L. F. Bosshardt, conductor of the class, announced.

Whether or not she would do any entertaining is another matter. But the dancer, who, 'tis said, has made successes out of three world's fairs in her short span of life, will be on the boat next Sunday. And she will at least speak and participate in some of the festivities in one way or another, Captain Bosshardt said.

The ride is starting at 1:30 so that the return trip may be made by moonlight, to give those aboard an opportunity to encircle Treasure Island by night to see the lighting effects at the Golden Gate International Exposition.

Captain Bosshardt said that for those who desire to disembark at the fair, the Mission Trails Building would be headquarters, and a special program is being arranged there. A band will meet the ferry boat and escort the group to the host building.

Tickets for the ride at $1 each are still on sale at several local stores or at the mariners' headquarters in the Stafford Realty Office, 2397 Broadway.

Mrs. Emma Andreen Passes at Woodside

Mrs. Emma Andreen, a resident of Woodside for half a century, passed away at her home there at 10:30 a. m. Wednesday.

Mrs. Andreen, the widow of N. A. Andreen, for many years a blacksmith at Woodside, had been ill much of the time for the past several weeks since suffering a fall at her home, but had appeared improved lately. She suffered a stroke last night, however. She was 79 years of age.

She was the mother of Mrs. Edgar W. Harrison of San Francisco and of the late Harry Mayo Andreen. A brother, Fred Bolen, also survives.

Funeral services will be held Saturday at 1:30 p. m. at the Franklin, Martine and Crowe Mortuary, with the Rev. Burton Palmer of Woodside Community Church officiating. Interment will be in Cypress Lawn Cemetery.

30-Mile Average Made With New Car

According to Frank Harigan, manager Redwood Motor Sales, 831 Winslow, an absolutely stock Studebaker Champion 6-cylinder sedan established a new mileage record in a round trip from Los Angeles to the San Francisco World's Fair with four in the car, averaging 30.8 miles per gallon of gasoline at an average driving speed of 36.8 miles per hour.

As a demonstration of real gasoline economy, this means that four adults went from Los Angeles to the fair and returned at a total fuel cost of $4.85 or $1.21 a passenger.

Occasion of the record was the Gilmore Economy run.

Crowds Drawn To Fair Show

More than 150,000 visitors to San Francisco's Golden Gate International Exposition on Treasure Island have attended the National Biscuit Company "Little Theater" performances since opening day, according to S. W. Rodda, regional sales manager.

Proving one of the major attractions in the Foods and Beverages Building the colorful exhibit has drawn as high as 9500 persons in a single day.

Present in person to attend the opening day preview was famed animator Walt Disney, creator of "Mickey's Surprise Party," which is drawing record-breaking crowds to the display. This film, specially produced in technicolor, thrills visitors of all ages with its featured characters of Mickey Mouse, Minnie, Pluto and Fifi. The picture is executed in the familiar Disney technique, already made famous by such popular features as the Mickey Mouse and Silly Symphony pictures, as well as "Snow White and the Seven Dwarfs" and the current hit, "Ferdinand the Bull."

A second technicolor feature, "Around the Clock with the Cue Family," demonstrates pictorially the suggested uses for National Biscuit Co. products throughout the day of the average family.

Outside the theater, animated window displays of Tony Sarg puppets enact Mother Goose nursery rhymes with such products as Honey Maid Grahams, Ritz Crackers, Snow Flake Sodas and Shredded Wheat. Also drawing their share of attention are two large full-color murals by Tony Sarg showing elephants, giraffes, hippopotamuses, tigers, deer, rabbits and others of the animal kingdom frolicking in complete abandon along the wall.

MENLO PARK NEWS NOTES

YOUNG MEN ORDAINED

MENLO PARK, June 2—Today 20 young men who have been attending St. Patrick's Seminary for several years are to be ordained at St. Mary's Cathedral in San Francisco by Archbishop Mitty. The men will be assigned to parish duty at once as there is a scarcity of priests in the diocese. One of the young men to be ordained is Lervy Spooncer, whose grandmother, the late Mary Ann Maloney Cox, was born in Menlo Park and was a daughter of Mr. and Mrs. John Maloney. The clergyman's mother is the former May Cox. He has many relatives residing in Menlo Park, including his aunt, Mrs. Catherine Derry, prominent in social circles of the Peninsula.

Mr. and Mrs. Moss have gone to Placerville for a vacation. Mrs. Moss is the former Myra Kurtz, daughter of the city clerk of Menlo Park.

E. M. Rankin, the real estate broker, has moved into his new building on 477 El Camino Real. His home on Pine St. has been leased to John Kerber, the bail bond broker of Redwood City.

Dominick Ryan, the local hardware man, is the proud father of a daughter born in Palo Alto last Wednesday.

It is rumored the Menlo Theater is about to build a $25,000 playhouse across the street from the present location. The theater is one of a chain of 25 owned by Harvey Brothers.

Joseph Begeley, who left here some months ago, has written to friends saying that he will visit the exposition in the Fall. Mr. Begeley is manager of a large hotel in Calgary, Canada. He has severed his connections with the Southern Pacific Co. in Menlo Park.

From early morning to late in the afternoon on Tuesday Holy Cross cemetery was crowded by hundreds who had journeyed there to place flowers on the graves of dear ones departed. The cemetery never looked so well, with the nicely oiled walks, absence of weeds and grass in well-cared for plots. John Tuttle, the superintendent, is to be congratulated upon his excellent work.

Felix McGinnis and family will move to their estate here today to remain two weeks, when they will go to Lake Tahoe for the Summer. Mr. McGinnis is vice president and general manager of the Southern Pacific Co.

Menlo Parlor 211, Native Daughters of the Golden West, celebrated their 23rd anniversary at a dinner at Fabbro's Tavern Wesdnesday. Five of the charter members were present to enjoy the occasion, to recount the early struggles of the parlor and recall the happy events that were enjoyed in the intervening years. Mrs. Catherine Derry, who was instrumental in founding Menlo Parlor, and who is known as the mother of the parlor, was one of the honored guests.

Menlo Park American Legion Auxiliary Unit 443 held a pot luck supper at their legion hall May 31. Members of the post and their families also attended.

Mrs. Joseph Branco, her brother, Charles Thomas Jr., and their mother, Mrs. Charles Thomas of Monterey, visited Mr. and Mrs. W. H. Weeden last Saturday.

The fifth grades of Central School attended the fair Wednesday.

Fleishhacker To Vote Stock

When directors of Pacific Portland Cement Co., operator of the Redwood City cement plant, vote at the annual election Friday, Herbert Fleishhacker of Atherton can vote 3592 shares of preferred stock and 6698 shares of common stock, according to a ruling made Monday by Burton K. Wyman, federal bankruptcy referee.

He held that Fleishhacker must vote as follows for directors: Fleishhacker, Wakefield Baker, Benjamin Boutell, Ira C. Copley, Charles Elsey, Jesse B. McCargar and John D. McKee.

Referee Wyman directed Sterling Carr, the receiver, to attend the election and ratify it.

After Judge Wyman had signed the order, Francis P. Walsh, attorney for Carr, announced that Benjamin Boutel had sent out letters since the hearing of May 19 saying he had withdrawn as a candidate for director of the cement company.

Judge Wyman explained that his order "does not establish any precedent in similar matters of this character." (Meaning that it does not establish a precedent against the receiver voting Fleishhacker's stock in any other company).

Although Fleishhacker's holdings have been turned over to the receiver, his counsel has contended that he has the right to utilize the voting strength of the stock in the current fight.

Fleishhacker is a member of the board, aligned with a group opposing a faction which is seeking proxies to change the directorate at the election.

Unexpected Dump Of Load of Sand Blocks Highway

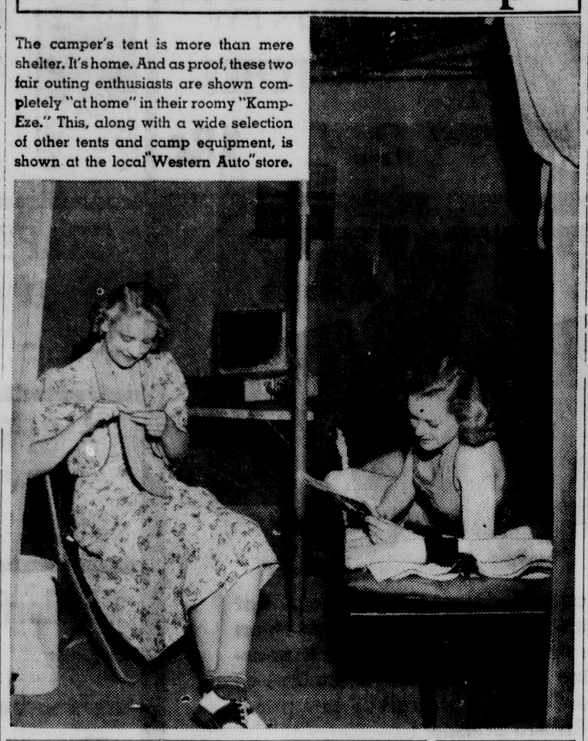
Northbound commuter traffic on Bayshore Hwy. was impeded for two hours Wednesday after a heavy semi-trailer dumped four yards of sand on the pavement after a collision at the Millbrae intersection.

According to State Patrolman Elmer Grandy, who investigated, the heavy vehicle and a passenger car driven by William Jolley, 64, San Francisco, collided. Henry R. Smith 34, North Fair Oaks, driver of the truck, attempted to swerve. The tractor and trailer "jack-knifed," the officer said, causing the trailer to overturn. Heavy northbound traffic was jammed for miles until controlled by the patrol.

Lee Pryor of the General Petroleum Co. last night described methods of production and distillation of gasoline and various phases of the structure of gasoline to members of the Lions Club at their regular weekly meeting, Pres. L. E. Wolbert said. Pryor was the guest of Fred Hibbs.

At Home In Camp

The camper's tent is more than mere shelter. It's home. And as proof, these two fair outing enthusiasts are shown completely "at home" in their roomy "Kamp-Eze." This, along with a wide selection of other tents and camp equipment, is shown at the local "Western Auto" store.



Packham New Councilman

ATHERTON, May 31—James B. Howell was named yesterday by his fellow councilmen on the Atherton town council as president of the board, pro tem.

Howell thus will serve as mayor of Atherton until a permanent successor to the late Mayor Joseph A. Donohoe is selected.

The board also named Thomas G. Packham as a member of the board, to fill the vacancy created by the death of Mayor Donohoe two weeks ago.

Packham had served the town of Atherton for a number of years as city clerk, resigning a month ago.

The new president of the board has been a resident of Atherton for the past 20 years. He retired from the board of fire commissioners of the Menlo Park Fire District recently after nine years' service, and has served the town of Atherton in the capacity of councilman for the past eight years.

He is a former naval officer, and is at the present time associated in business enterprises in San Francisco, and is also the president of the Peninsula Creamery of Palo Alto.

A resolution of condolence was drawn up by the Atherton councilman to be entered in the minutes of the meeting and to be sent to the family of the late Mr. Donohoe, who had been a member of the board since shortly after the incorporation of the city.

An ordinance regulating the manner of soliciting within the town limits was given final approval. It provides that any salesman or solicitor must be fingerprinted and given permission by the chief of police before he may carry on any activity.

LEGAL

ORDER FIXING TIME AND PLACE FOR HEARING PETITION TO ABANDON A PORTION OF ALAMEDA DE LAS PULGAS.

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

A petition having been filed with this Board and the Clerk thereof by ten freeholders of the Second Road District of the County of San Mateo, praying that two certain strips of land lying along the southerly line of Alameda de las Pulgas, and the lines each designated as "Future Highway Line," as shown on that certain map entitled "Map No. 504, Acacia Lane Subdivision, same being a resubdivision of Portions of Lots 8 and 9, Johnson Subdivision in the County of San Mateo, near Redwood City, California," as recorded February 19, 1936, in Book 30 of Maps at page 71, and particularly described and bounded in said petition, to which reference is hereby made for greater certainty, are unnecessary for present or prospective public use, and praying for the order of this Board abandoning and discontinuing said parts of said Alameda de las Pulgas as a public highway and street of said county and district;

NOW, THEREFORE, IT IS ORDERED that Tuesday, the 20th day of June, 1939, at the hour of 2:00 o'clock P. M. of said day, at the chambers of said Board of Supervisors, at the County Court House in Redwood City, California, be, and the same are hereby fixed as the time and place for hearing said petition; that notice of such hearing be given by publication of a copy of this order in Times Gazette, a newspaper published in said County of San Mateo, for at least two successive weeks prior to the day fixed for said hearing, and by posting a copy of this order conspicuously along the line of the proposed vacation of said street or highway, and that on the day so fixed for said hearing, or on the day to which such hearing may be postponed, said Board will hear the evidence offered by any party interested, and that if it appears from all the evidence submitted that the parts of said Alameda de las Pulgas described in said petition are unnecessary for present or prospective public use, said Board will thereupon make its order abandoning and discontinuing such parts of said street or highway, or such other order as it may find proper in the premises.

Dated: May 23rd, 1939.

H. H. SMITH,
Chairman of said Board of Supervisors

(SEAL)
ATTEST with the seal of said Board affixed.

Permits Issued For New Homes

Private residential construction in Atherton and Menlo Park continued to boom during May, with permits granted to the total value of $97,350. This was a decrease over April, but ahead of corresponding figures in 1938.

Atherton, with building permits for $70,750, was far ahead of Menlo Park in the total value of the permits issued, but Menlo Park will have two new major service stations at important intersections soon open to the public.

Following are permits issued by City Clerk Howard Boren in Atherton:

George Walster, residence on Flood Circle, Lindenwood, $13,000. Builder, H. Dabinett.

Louis Beltramo, residence on Marsh Rd., $4000.

L. T. Shaw, residence on Catalpa Dr., $12,000. Builder, Wells P. Goodenough.

Stedman and Stedman, residence in Flood Circle, Lindenwood, at cost of $11,000.

John Eshleman, residence on Selby Ln., $7500. Vance Brown, builder.

D. M. Hitchcock, residence in Lloyden Park, $10,000. C. W. Kemper, contractor.

Mrs. Sutton, residence addition in Fair Oaks Ln., $2000. B. Weeden, builder.

R. Milward, residence in Selby Tract, $4000.

Mrs. J. R. Shaw, alterations to home on Almendral Ave., $3000.

C. L. Hebratik, alterations to dwelling on Tuscaloosa Ave., $3500. W. Clay, builder.

The City of Menlo Park issued permits to the total value of $26,600. One was a service station for $3000 at El Camino Real and Santa Cruz Aves. The second, also a $3000 structure, is being completed along El Camino Real.

Private dwellings:

Mrs. Henrietta Rowen, 884 Harvard St., residence $3000. Edward Cornblum, builder.

D. D. Robertson, 379 Lennox Ave., residence, $6900. J. F. Duckworth, builder.

Palmer and Tibbs, 760 College Ave. and 430 Oxford St., homes for $3900 and $3800. J. F. Duckworth, builder for both.

A. J. Figkman, home at 1044 Middle Rd., $3000. Builder, G. Johnson.

William A. Mahood, 27, San Francisco, charged with felony drunk driving as the result of a Skyline Blvd. accident Mar. 5 in which three were hurt, was held to answer last week by Judge Wade H. Clay. He was booked and released on $250 surety bond at the county jail.

Awards Are Given For Poppy Posters

Two winners in the poster contest preceding Poppy Day last week have been presented awards by Floyd D. Granger, past commander of American Legion Post 105. The grand award and district award went to Philip Chew at Central School last weekend and the second award to Albert Gong of the same school.

On June 9 Benjamin Esposito will receive his award at Mt. Carmel School and on the closing day of school, June 16, Shirley Galvin of McKinley and Clarence Brown of Washington will be granted their awards.

New Jersey cut its traffic deaths in 1938 to 885 from 1278 in 1937 and from an average of 1191 for the three years preceding 1938.

"Don't Pay Me One Penny Until You Have Worn My Plates for 30 Days"

No Money Down

Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.

New Trial Sought Now by R. H. Lee

Robert H. Lee of Palo Alto, convicted of two counts of negligent homicide, sought a new trial in superior court Monday afternoon after Judge A. R. Cotton denied his motion to arrest judgment. The new motion delayed sentence at least a week. Arguments on the new motion will be heard next Monday.

Caretaker at Park Is Taken by Death

Abe Adams, 68, caretaker at Islam Shrine Park for the past two years, succumbed about 2 p. m. Tuesday of a heart attack. Mr. Adams, who lived in the Middleton Tract adjacent to the park, leaves his wife, Mary B. Adams; a daughter, Mrs. Henry Fish of Oakland, and a son, Edwin F. Adams of Averys, Calif. Funeral arrangements are being made at the Franklin, Martine and Crowe Mortuary, Redwood City.

'R. C. Youth Days' Postponed Till July

"Redwood City Youth Days," when youngsters of the city will take over the duties of the various city officials, has been postponed from June 3 and 5, as originally planned, to the latter part of July, Recreational Director Alfred Morton announced here. At that time some youngster will be elected mayor; others will be named councilmen, and the various officers of the city will be filled by others.

Sequoia Paper Staff Named

For the first time in some years, the commissioner of publications at Sequoia High School will not edit the Sequoia Times next year.

Instead, it was disclosed at Saturday night's Matrix Club dinner at the school, the editor will be Miss Mary Richardson. The new commissioner, Weber Lund, will be business manager. Commissioner and editor this year was Miss Joan Lynn, who presided at the dinner meeting, at which Ray Marshall, former head of the United Press Bureau in Tokyo, was principal speaker, telling of experiences in the Orient. Kenneth L. Bowen, Tribune editor, spoke also.

Other Times staff positions for next year, awarded through outgoing officers, are Eiko Honda, assistant to the first page editor, succeeding Edna White; Rose Roy, feature editor, succeeding Charles Jewel; Ella Noel, assistant feature editor, succeeding Jerry Foster; Russ Collier and Chester (Bud) Hefner, co-sports editors, succeeding Lloyd McGovern and Frank Pisani; Geraldine Campbell, page 4 editor and commissioner of publicity, succeeding Florence Jaeger; Elaine Cowles, assistant to page 4 editor, succeeding Marion Grue; David Rasso and Mildred Mullins, co-advertising managers, succeeding Stanley Dodge and Eleanor Gamba.

Awards, presented through Miss Louise Watkins, journalism instructor, went to Jackeline Armstrong for naming a new humor column "Indian Ink Spot"; to Russ Collier for publicity achievements; to Rose Roy for writing the most news and advertising copy; to Edna White, for writing the second best news story submitted in University of California competition; and to Miss Lynn, for writing an honorable mention editorial in the same competition.

Names of Miss Lynn as editor and Miss Roy as "best all-around reporter" were directed inscribed on the Floyd McCue trophy, presented for the first time last year by the publisher of the Redwood City Standard, which prints the Times.

About 50 attended the dinner of the Matrix Club, made up of Sequoia Times staff members. Entertainment was furnished by Jackeline Armstrong, who sang a solo, and by Beth Childs, who played an oboe solo.

Campbell To Speak At Government Meet

Ronald Campbell, engineer for the San Mateo County Planning Commission, will speak on "Road Side Protection," as viewed from an engineering standpoint, at the 11th annual Institute of Government to be held at University of Southern California, Los Angeles, June 12-16, according to Dean Emery E. Olson of the university's school of government.

ADVERTISING GEMS AT FAIR

Harold R. Deal, Manager Advertising and Sales Promotion, Tide Water Associated Oil Company, and president of the Pacific Advertising Clubs Association, and Ray Rhodes, Junior president, watch with interest as Harriet Farnsworth (left), Jane Nichols, Exhibit Committee members, tell plans for the advertisers' convention exhibit at Treasure Island. Located in the Homes and Gardens Building, the exhibit will be one of the features of the association's annual convention to be held at Oakland, June 25-30.

New Stamp Series Now Distributed

With the issuance of a new series of Associated's Stamps of the West which proved so popular last year, Tide Water Associated Oil Co. again will widely publicize the wonders and beauties of this territory through the 1939 series to be known as "Roads to Romance Stamps of the West," according to J. J. Baldwin, local sales agent.

Now available at all Smiling Associated Dealers in the west, ten general stamps dealing with the Golden Gate International Exposition are being released one each week. Each exposition stamp features some important section of Treasure Island, the group providing an interesting record of the exposition setting.

In publicizing this locale, Associated has chosen Padre Junipero Serra, the famed, far-sighted missionary, as the stamp subject for 'ocal release. The text accompanying the insert space for the Roads to Romance stamp in the new Associated stamp book, reads as follows:

"Devoted, inspired and unafraid was Padre Junipero Serra, man of vision, faith and fixed purpose, who founded at San Diego the first Franciscan Mission in Alto California (July 16, 1769). Thus was forged the first link in a chain of 21 missions extending northward along El Camino Real. Today a smooth highway traces this romantic trail."

Sciots Band Slates Benefit Card Party

San Mateo Sciots Band, anxious to carry their colors to the national Sciots convention at Phoenix, Ariz., next Fall, have announced another bridge and whist party to help raise transportation funds. The "On to Phoenix" party will be held at Hoover Hall, Burlingame, Saturday night, it was announced. All proceeds will go to the band's convention fund.

Rankin Quits Tax League Job

MENLO PARK, May 31—E. M. Rankin, who as director of the Southern San Mateo County Taxpayers League has directed operations of the organization for the past two years, disclosed today that he has submitted his resignation from the position to Paul Bryant, secretary, for presentation to the advisory board.

The resignation is "to take effect at once," Rankin said.

"Lack of time prevents me from doing justice to the duties incumbent upon this position, due to a new business undertaking," Rankin wrote Bryant under date of May 30.

He continued:

"The need for taxpayers' associations becomes more imperative as time goes on. Pressure groups from without and within seem to multiply in the face of a depreciated national income and a mounting tax load. A full or part time investigator is almost necessary to cope with the spenders who are on the job continuously. I am in touch with a movement that has been launched for a consolidation of taxpayer groups in this section of the state, which, if successful, will make practical this feature. I will keep our league advised of progress."

Advisory board members for the league are O. D. Richardson and John H. White, Atherton; Roger Roberts, A. F. Poulter, James Murray and A. C. Edmonds, Menlo Park unincorporated area; W. H. Weeden, Bryan Turner, Bruce Huggins, Walter Bidwell, Worth Wilson and C. E. Fagg, Menlo Park; L. Polk Dodson Jr. and Judge C. A. Shurtleff, Menlo Oaks; James M. Armstrong and John I. Cleese, North Palo Alto; John Huss, A. L. Reagan, William Lynch, J. Frank Collins and J. H. Stubbe, East Palo Alto.

Guilty Plea Entered On Support Charge

John Corvey, Redwood City, charged with failure to support his minor child, pleaded guilty in superior court Monday afternoon His motion for probation was continued two weeks.

If you want to keep it a secret, don't put it in the Want Ads.

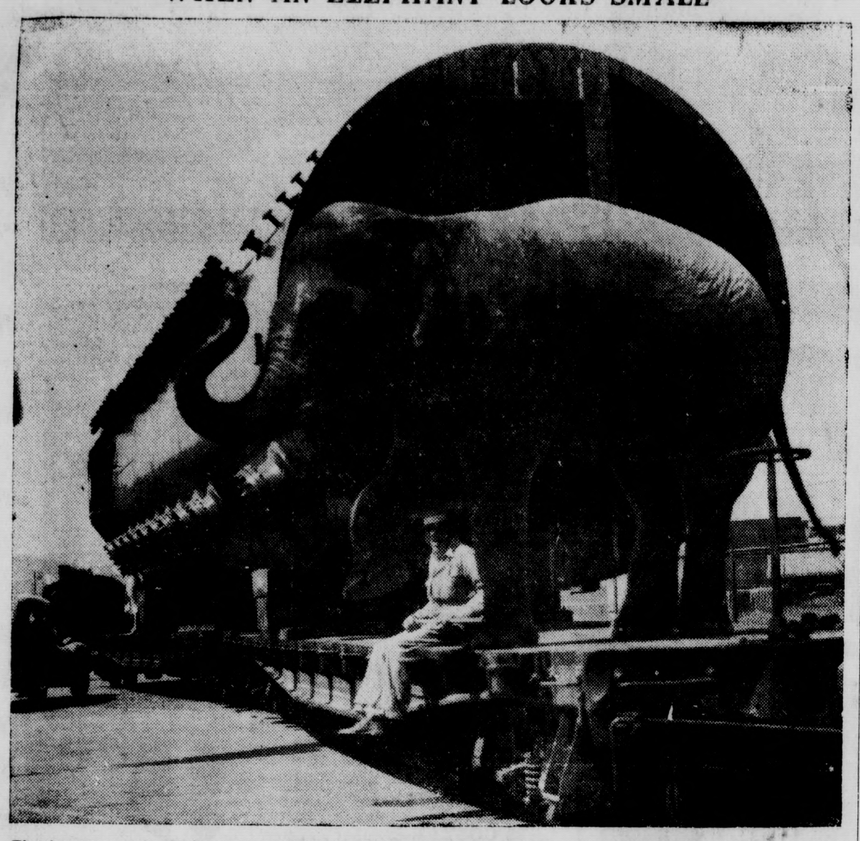
WHEN AN ELEPHANT LOOKS SMALL



The famous movie elephant Anna May, a favorite with Shirley Temple, is shown with one of the new fractionating towers used in the new Richfield Refinery at Watson, Calif. Anna May weighs 3½ tons—the tower weighs 250,000 pounds.

According to engineering authorities, the construction of the new Richfield Refinery at Watson was one of the greatest western commercial engineering feats during the past decade.

The modern refinery used equipment so large as to constitute a major transportation problem. Seven evaporating and fractionating towers were required for each of the two combination units. The largest of these, two main bubble cap towers, are 13 ft. in diameter by 60 ft. high and weigh 250,000 pounds each. Transporting these towers from the fabricating shops to the refinery site necessitated one way traffic over the railroad, as the towers, when loaded on flat cars, would not clear passing cars on adjacent tracks.

City Hall Completion Expected by Friday

City Manager Charles L. Dimmitt said Tuesday he had been informed in a telephone conversation with officials of the James Reilly Co. of San Francisco, builders of the new city hall, that the firm expects to have the building completed and ready for final inspection by Friday of this week.

Contract limit is June 7, Dimmitt said. Remaining to be done on the city hall is the outside painting, which was to be started tomorrow, and finishing touches inside. Installation of lighting fixtures was also going on.

The new library is somewhat farther from completion, because of the strike delay earlier in the year that had more effect on that building than on the city hall, the G. W. Williams Co. of Burlingame holds the contract.

STUDENTS PLACE 3RD, 4TH

Isabel Garcia and Helen Lum, representing Sequoia, placed third in debate and fourth in oratory at the annual Northern California High Schools speaking tournament at College of Pacific in Stockton over the weekend.
